

SAN FRANCISCO STAY & GRAND PANAMA CANAL CRUISE

07 Oct 10 • 26 nights **£1699pp**

San Francisco Stay

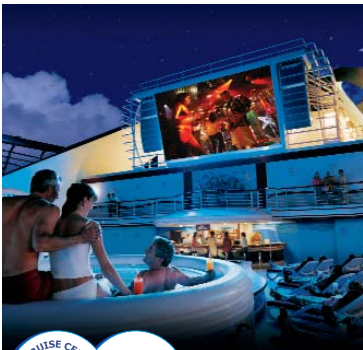

A seaside metropolis just seven by seven miles square, San Francisco brims with cosmopolitan appeal and exciting neighbourhood niches. A cool, changeable climate, storied history and ardent culture make San Francisco one of the world's most memorable destinations. Spend the day visiting historical landmarks like the world famous Fisherman's Wharf, Alcatraz Island and Golden Gate Bridge; eating at beautiful restaurants like The Cliff House and Vignette; shopping at world-famous and boutique stores or possibly taking in a San Francisco Giants or 49ers game.

Panama Canal

Nearly 100 years after its completion the Panama Canal remains one of the greatest feats of human achievement in history, often referred to as 'The eighth wonder of the world' with a history as scarred as the landscape it navigates. The history of the Panama Canal is fraught with tragedy, with building work carried out under Spanish kings, conquistadors and five different American presidents over a period of 400 years. Passengers on a Panama Canal cruise will enjoy a truly exhilarating experience as six immense locks raise the ship by 85 feet from sea level, before gently lowering it once more, usually with just inches to spare. Canal historians relate the history of the canal, including the triumphs, tragedies and stories of heroism it took to complete this engineering marvel.

Sea Princess

Sea Princess is a Sun Class cruise ship which means she's smaller in size but big on personal space. With more than 400 balcony staterooms you can enjoy your very own ocean vista while, out on deck, there's room to get away from it all or enjoy fun entertainment such as Movies Under The Stars®. Kids are welcome aboard and there's dedicated space and activities for all age groups, including teens. Meanwhile, adults can luxuriate at the Lotus Spa, kick back in your favourite bar, have fun and games on the sports court or take an inspiring class to broaden the mind.
