FREESTYLE CRUISING

Venice

This World Heritage city is just about the perfect cruise call because everything you want to see is so easily accessible. Cars are banned from the maze of narrow cobbled streets and 500 historic bridges within the city centre so there are just the two choices for getting around: the vaporetto (water-bus) network or just plain walking. A gondola ride is really for fun and romance rather than transportation. Start walking from St Marks Square, with its ancient Basilica, lavish Doges Palace and imposing bell tower, then follow signs for the shop-lined Rialto Bridge and the Bridge of Sighs. But wherever you walk, there are intriguing arty shops, museums and galleries plus some tasty cafés and restaurants along the way.

Enjoy an evening pre-cruise stay in this romantic city.

Norwegian Gem MAIDEN SEASON IN EASTERN MED

When it comes to Freestyle Cruising, something new is definitely a good thing. Introducing Norwegian Gem. This brand new ship offers all the things you love about NCL - all the restaurants, the bars and lounges, plus the complete disregard for watches and alarm clocks. It's the latest in the Jewel class family of ships, sister ship to Norwegian Pearl; and you'll find yourself wondering what to do next, nap, bowl a few games, get a good workout or ...whatever.
